Not Me

NAEP PERFORMANCE*

Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

SC PERFORMANCE GOAL

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cottageville Elementary, a pre-kindergarten through fifth grade school, can be found along the Edisto River in the rural community of Cottageville in Colleton County. The student body, faculty, staff, and administration have worked hard throughout the year to ensure that all students "Soar like Eagles."

The faculty and staff have worked very hard this year to ensure the academic success of all our students. We implemented a process of teachers collaborating on common standards, identifying strategies to teach these standards, common assessments known as Progress Monitoring, and teacher reflection or analysis. We assessed our students in Reading as early as kindergarten using the Dominie text level assessment. After data analysis, we identified students needing additional interventions. Those students were served through a certified Reading Interventionist. The primary MAP assessment was piloted at our school. This data provided us additional information to identify areas needing interventions. We were also served by three district instructional facilitators. They provided additional assistance to teachers by planning, observing, and reflecting.

We provided our students opportunities for community outreach. Students brought canned goods at Christmas for the food bank. They also pledged their efforts in Jump Rope for Heart and raised almost \$1,000. Another effort was the Relay for Life. We met our goal of raising \$6,000. Students participated in the Great American Cleanup effort to Keep Colleton Beautiful. The Pearl Barr Award was developed to honor a fifth grade student that demonstrates the characteristics of Pearl, a former CES student that lost her battle with cancer.

Students' academic success was recognized in several ways. Honor roll and superintendent's list were recognized at the end of each quarter. We also recognized students meeting their Accelerated Reader goals. We had three students to participate in the district spelling bee. Students meeting the math facts were honored with a pizza party at the end of the year. Classes with the fewest tardies were recognized at a quarterly "Tardy Party."

Tracy McDonald, Principal Robin Stone, SIC Chairperson
